Resultados del Expediente Médico del Escolar / Ficha Evolutiva del Alumno Ciclo-Escolar 2010-2011

PRESENTACIÓN

De acuerdo al conteo de población y vivienda del INEGI (2005), el 19% de la población en Nuevo León se ubica en el grupo de 5 a 14 años, rango de edad en el que se encuentran la mayoría de los alumnos inscritos en educación básica. Se trata de un grupo proporcionalmente importante, en la edad en la que suelen establecerse hábitos y estilos de vida que tendrán influencia, positiva o negativa según el caso, no solo en la adolescencia sino en el curso posterior de la vida.

Por tal motivo es importante conocer con precisión la situación de salud de los escolares desde su ingreso al sistema escolar para que reciban atención aquellos que lo requieran limitando el daño, facilitando el aprendizaje y su integración social. Además, al analizar los resultados por alumno, escuela, zona, municipio y estatal permitirán focalizar la problemática existente, optimizar recursos y tomar decisiones efectivas y ágiles a partir de situaciones reales.

Para tal fin el Programa Salud Para Aprender a través de su componente Recursos y Acciones Efectivos de Salud Integral ha establecido la Ficha Evolutiva del Alumno/ Expediente Médico del Escolar (EME); un sistema computarizado que facilita la captura, procesamiento y análisis de datos sobre la situación de cada escolar, permitiéndonos elaborar un diagnóstico de riesgos para la salud individual, local, regional o estatal de este grupo de población.

Los datos contenidos en este volumen corresponden a la información proporcionada por personal de salud y los padres de familia de los escolares inscritos en 2º. Grado de Preescolar, 1º. y 4º. de Primaria y 1º. de Secundaria durante el ciclo escolar 2010-2011 en la Ficha Evolutiva del Alumno/Expediente Médico del Escolar y permitirán formular programas anticipatorios, efectivos e integrados mediante la coordinación intersectorial y la participación social.

Monterrey, Nuevo León, Marzo de 2011

The page features a decorative design with several green squares of varying shades (light, medium, and dark green) scattered across the white background. At the top and bottom, there are horizontal bands of green, with the top band being a solid dark green and the bottom band being a lighter green. The main title is centered in the middle of the page.
